In this fast changing world, one needs to discern what potential outcome will be here soon, and relating to historical times, there will be a need to choose between two types of models, neither will present exactly as there are known by history, but similarities will make one or the other emerge. It is up to every individuals to choose what fits them best and what they think is the best option for society at large. Not choosing one option is a choice in itself, the current model seeming exhausted or mismanaged, its existence can no longer be guaranteed. **It is YOUR choice.**
