

THE GREAT SHIFT : THE REIGN OF FREE WILL IS REPLACING THE GLOBAL FORMATTING SYSTEM

COLLAPSING NOW

GLOBALIZATION - GLOBAL FORMATTING

the whole world needs to do the same
the whole world needs to become alike
the whole world needs to follow the format
the whole world needs not to question
the whole world needs to believe
the whole world do not accept individuals
the whole world accept what is important
the whole world covers the mistakes of individuals
FEW PEOPLE explain how it all really works
FEW PEOPLE listen, assist and are patient

GROWING FUTURE

INDIVIDUATION - FREE WILL

Every individual can do what fits them
Every individual can be as they are
Every individual set their priorities
Every individual can question others and themselves
Every individuals can realize by themselves
Every individual accept other individuals
Every individual set what is important by themselves
Every individual cover for their own mistakes
MANY INDIVIDUALS explain how it all really works
MANY INDIVIDUALS listen, assist and are patient
